

The Granville Gardeners, a 501(c)3 charitable organization in Granville County, NC, is now offering small grants to local non-profit organizations!

Beginning in January 2024, eligible organizations can apply for up to \$500 in grant money to support a project aligned with our mission to promote education and recreation through gardening activities.

These will be running grants with no deadline to apply. Once all eligible grant money is allocated for the fiscal year, there will be no more money available until January 2025. Applications will be reviewed by the committee. Those that are deemed to fit our mission and criteria will be presented to the board for final approval. If approved by the board, monies will be disbursed to the organization.

Create an application following the outline below and email to gggrants295@gmail.com.
